

# ONYANGO TOM OBANDE

**Address:** P.O. Box 43844-00100, Nairobi | **Tel:** 0794687383

**Email:** [tb.obande@gmail.com](mailto:tb.obande@gmail.com) | **Github:** <https://github.com/tbrowns>

**LinkedIn:** [www.linkedin.com/in/tom-brown-13811a1a8](https://www.linkedin.com/in/tom-brown-13811a1a8)

## Summary

I am a hardworking and diligent third year student looking for an internship to assist in improving my proficiency in software development, teamwork and collaboration skills.

## Skills

- Web Technologies: React JS, Node JS.
- Language: Java, JavaScript and Python.
- Data analysis and Visualization.
- Problem solving skills.
- Good communication skills;

## Tools

- Version Control: Git, Git Hub.

## Projects

1. **Tax Calculator** (React JS): I spearheaded the development of a tax calculator web application designed to streamline the daunting task of tax assessment processes. It enables users to effortlessly calculate taxes across diverse countries. It harnesses the power of external APIs for currency conversion.

2. **Chat Bot** (Python): I developed a voice activated chat bot using GPT API and python libraries like speech recognition. It automatically generates voice responses.

## Educational Background

**Kenyatta University, Nairobi.** (2021 - present)

- Bachelor of Information Technology
- Japanese Language
- GPA (60.67/100)

**St. Mary's School, Yala.** (2017 - 2021)

- Kenya Certificate of Secondary Education (Grade B+, 69 points)

## Certification

- Data Science Practitioner, IBM.

## Interests

- Machine Learning and Large Language Models.
- Playing Chess

## Referees
